Dear Kids,

This “Just be Safe” coloring book is a fun way to learn some basic safety rules. I encourage you to participate in Child Safety activities with your family and friends.

As a 9-1-1 dispatcher, I know you might someday be faced with threats to your safety when there is no adult around to help you. This coloring book is designed to be a fun way for you to learn some basic rules that will help keep you safe.

We are always working to protect you while you're at home and at school. Everyone can play a role in making sure that all the children of California are safe.

Please take the time to learn the safety tips contained in this coloring book. Remember, 9-1-1 is there for you, but only call if it's an emergency.

Have fun. Be good, be safe.
